PROJECTION

Even though UNILIC was created initially for Costa Rica, our projections go beyond Costa Rican borders. We intend to touch every corner of the Latin world.

WHY COSTA RICA? Costa Rica: Fertile ground for the gospel

- Ecclesiastical need**
The Costa Rican Evangelical Church needs a new outlook on how to "be" and "do" church. Since 1992 there has been a halt in numerical growth in congregations.
- Evangelical need**
74% of the population are non-believers
- Ecclesiastical resources**
In Costa Rica, we have more evangelical resources than in all the rest of the Latin world.
- National conditions**
Social-political conditions are favorable.
